## بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

حضور اقدس ﷺ کا ارشاد ہے کہ اگلا تار حج و عمرہ برے خاتمہ سے بھی حفاظت کا سبب ہے اور فقر کو بھی روکتے ہیں۔ (کنز) حضور اقدس ﷺ کا ارشاد ہے کہ حج میں خرچ کرنا جہاد میں خرچ کرنے کی طرح ہے ایک (روپیہ) کا بدلہ سات سو (روپیہ) ہے۔  
حضور ﷺ نے حضرت عائشہ رضی اللہ تعالیٰ عنہا سے ارشاد فرمایا کہ تیرے عمرے کا ثواب تیرے خرچ کے بقدر رہے یعنی جتنا زیادہ اس میں خرچ کیا جائے گا اتنا ہی ثواب ہوگا۔ ایک حدیث میں ہے کہ حج میں خرچ کرنا اللہ کے راستے میں خرچ کرنا ہے، جس کا ثواب سات سو درجہ المصاعف ہوتا ہے۔ (کنز)

## Our Story...

Prophet Ibrahim (Alaih-e-Salam) was the 1st one who invited mankind to the house of Allah. He made a call for Hajj, which with the command of Allah, was heard by all mankind even in the Spiritual World (Aalam-e-Arwah). According to a Prophetic tradition, those who replied in yes would definitely get the opportunity to visit Kaaba & those who replied (said Labaik) multiple times, will visit Kabah as many times. Although Our Holy Prophet ﷺ performed

Hajj once in his life, as he ﷺ preferred to meet his Lord after completing his ﷺ mission, rather than staying in this temporary world. However, his true followers, like Khulafa-e-Rashideen & Sahabah (R.A) used to perform Hajj almost every year. Following the footsteps of Sahaba (May Allah be Pleased with them), all the renowned scholars and saints of Muslim Ummah performed multiple Nafali Hajj in their lifetime in an age when travelling was full of difficulties & risks. The most prominent of such legendary personalities, "Hazrat Imam Abu Hanifa (May Allah have mercy on him)" performed Hajj 55 times. We also got inspired by a scholarly & saintly personality, Hazrat Maulana Khan Muhammad (RA) who performed his first Hajj on a camel in 1947 & later went on to perform more than 40 Hajj in his life till the age of 95+. He performed his last Hajj at the age of 95 with our group in 2005. He was a man of God with noble character, loved & revered by Muslims of all sects. Maulana Muhammad Makki Hijazi, the official speaker & one of the senior most teachers at Kabba / Masjid al Haram used to respect him & was his permanent host in Makkah Mukarama & Madinah Munawara during all his visits. We feel blessed to get the opportunity of performing Hajj in his company multiple times. This spiritual enlightenment was so inspiring that we prayed to Allah Almighty to also give us the opportunity to perform Hajj every year & serve Hajjis. With the blessings of Allah the Almighty, special prayers of our parents & of Hazrat Maulana Khan Muhammad (RA), Allah gave us opportunity to start our own Hajj group in 2005.

Even before the incorporation of a formal Hajj Group, we were lucky to have performed Hajj every year & Umrah several times a year continuously from 1999 till 2004. These multiple trips motivated us to design & develop a comfortable Hajj Package for short duration & with personalized services for professionals / executives who are mostly short of time & delay their Hajj either because of the 40 days long duration or poorly designed uncomfortable packages offered by majority.

We performed these Hajj tours with several other group in their different types of packages ranging from very basic Govt. Hajj package to the high end Executive / VIP packages of all the leading private groups. This gave us the opportunity to closely observe various loop holes & shortcomings in all such packages & strongly felt that it can be done in a much better way. Ultimately, we co-founded a Hajj group to implement our idea of making Hajj time efficient & comfortable. ALHAMDULILLAH, our efforts clicked big & the rest is history with outstanding success, year after year since 2005 till today. We now feel extremely blessed to own & operate one of the best Hajj groups in Pakistan.

During our multiple private trips to the Holy Land for Hajj & Umrah with different Hajj Groups, we noticed multiple shortcomings in the facilities being provided. This motivated us to bring innovations for making Hajj short & comfortable. One of the Directors, Rao Abdul Rouf Khan had also completed his course work of PhD in Management sciences & selected his PhD thesis on "Hajj Travel Management system" & did extensive research analysis on this topic. He realized early that learning Arabic language is not only a basic requirement for understanding Quran but is also a must for operating a Hajj group successfully in Saudi Arabia. This leads him to master Arabic language.

All the directors found themselves on the same page with two main aims to start the Hajj group, firstly to bring latest innovations for providing best possible Hajj services. Secondly to ensure that Hajjis perform hajj 100% according to Sunnah & a hajj-e-Mabroor may transform their lives.

### MRS. KOMAL NASIR

Fashion Designer  
B.Sc Textiles,  
College of Home Economics,  
Lahore

A graduate from College of Home Economics Lahore. She is Pakistan's 1st designer to exclusively design Shawls, Scarves, Jackets & Dupattas. She believes that a dupatta or a shawl is the most important part of a female's dress besides being a part of our cultural heritage. Being a visionary, she felt that there was a big gap for such fashion accessory in our fashion industry, mostly influenced by western trends. Her intricate work of bespoke embroidered Shawls, Scarves, Jackets & Dupatta has firmly placed her within a niche of fashion designers who do the rare work of reviving our rich heritage, culture & dying crafts. Being designer cum entrepreneur, her brand is now well known worldwide. She entered into religious tourism after her marriage as she used to go for Hajj every year with her Husband. The idea of a Hajj group came during a Hajj trip with her husband, when they both realized that there was no proper guidance for Hujjaj & most were not being handled as they should be treated. This motivated them to launch their group with a mission to provide highly personalized service. Over the past 2 decades, their group has found a strong base & is now ranked as 2nd to none in Pakistan.

## OUR HISTORY

### SUCCESSFULLY SERVING THE GUESTS OF ALLAH year after year since 1999

We had a very humble beginning, starting from year 1999-2000 when we for the 1st time took our own family members for Hajj. Unsatisfied with the arrangements, we abandoned the package accommodation provided & after a small effort arranged a much better hotel on our own. So this was the 1st hajj group of our own family that we managed. We never thought of starting a hajj group as a commercial venture. Our frequent visits from year 1999 till 2004 taught us many things regarding the plight condition of Hajjis. In these personal hajj visits we always volunteered to assist & serve hajjis. With each passing year our friends & family insisted to launch a company to provide high quality Hajj services in order to serve Hajjis consistently and in an organized way. Finally in 2005, after getting a formal hajj quota & license from Ministry of Religious affairs, Govt. of Pakistan, we launched our Hajj Group. The rest is history,

## PACKAGES IN SYNC WITH ASHRA-E-ZIL HAJJ

Allah the Almighty has given importance & preference to certain things over others. He exponentially increased the value of Ramadhan over other months similarly He increased the value of the last 10 nights of Ramadhan over its first twenty nights, specially for Laylat-ul-Qadar, in which worship is far better than worship of over 1000 months. He also increased the importance of Friday over all other week days. Similarly, there are few other days & nights like Shab e Baraat (15th Shabaan night), Aashoorah (10th Muharram), the nights of Eid ul Fitar & Eid ul Azhah, which are divinely super blessed moments. Just like the last ten nights of Ramadhan, which are most blessed nights of the whole year, the 1st ten days of ZilHajj are the most blessed days of the whole year as mentioned in several Quranic Ayaat & Ahadith. So while planning your hajj journey & selecting your hajj package, it makes sense to look for a package that

ensures your stay in the Holy cities during the blessed days of Ashra-e-Zilhajj. Most of our packages are designed in a way that fully ensures your stay either in Makkah or Medinah during the whole period of Ashra e Zilhajj (1st zilhajj to 10th zilhajj). Since the period from 1st Zilhajj to 8th Zilhajj is the year's most expensive Hotel season, most hajj group organisers avoid booking 5 star hotels during this time. They either depart from Pakistan on 5/6th zilhajj, wasting precious first 5 days of Ashrae zilhajj of their hajis or keep them in a building instead of a hotel to avoid high costs. We strongly recommend to all our group members to depart for hajj maximum by 1st zilhajj since all our packages offer comfortable stay in full 5 star hotels from 1st till 15th Zilhajj. While selecting & Booking a short hajj package, Hujjaj should note that a 2 weeks package from 5th till 20th zilhajj would be cheaper than a similar 2 weeks package from 1st till 15th zilhajj as all the Arabs & nationals of GCC countries are more aware of the importance of Ashar-e-Zilhajj.

## IMPORTANCE OF FIRST TEN DAYS OF ZIL-HAJJ

اللہ عزوجل نے قرآن میں فرمایا: وَالْفَجْرِ وَلَيَالٍ عَشْرٍ وَالشَّفْعِ وَالْوَتْرِ ترجمہ: قسم ہے فجر کی اور دس راتوں کی اور جفت کی اور وتر کی۔ (الفجر ۳-۱)  
حضرت جابرؓ اور حضرت ابن عباسؓ سے مروی ہے کہ رسول اللہ ﷺ نے اس آیت کے متعلق فرمایا کہ ”عشر“، یعنی وہ دس راتیں جن کی اللہ تعالیٰ نے قسم اٹھائی ہے، ذی الحجہ کی دس راتیں ہیں اور ”شفع“ سے مراد قربانی کا دن اور ”وتر“ سے مراد عرفہ کا دن ہے۔ (تفسیر قرطبی: ۱۲۹/۱۶۸/۳۰) (مسند احمد: ۳۲۷/۳)

امام ماوراء النہرؒ فرماتے ہیں، مجھے یہ بات پہنچی ہے کہ ذوالحجہ کے عشرہ میں کسی دن نیک عمل کرنا اللہ کے رستہ میں اس غزوہ کی مانند ہے جس کے دن میں روزہ رکھا جائے اور رات کو پہرہ دیا جائے علاوہ اس آدمی کے جو شہادت کے ساتھ سر فرماز ہو۔ (الدر المنثور: ۵۰۲، ۵۰۱/۸)

حضرت ابوسعید خدریؓ سے روایت ہے کہ رسول اللہ ﷺ نے فرمایا: دنیا کے دنوں میں سے کوئی بھی دن جس میں اللہ کے لئے عبادت کی جائے عشرہ ذوالحجہ کے دنوں سے زیادہ اللہ کو محبوب نہیں کیونکہ عشرہ ذوالحجہ کے دنوں میں سے ہر دن کا روزہ سال کے روزوں اور ہر رات کا قیام لیلتہ القدر کے قیام کے برابر ہے۔ (جامع الترمذی ۱۳۱۳/۳، رقم الحدیث ۵۸۷۸)

حضرت ابو قتادہؓ اور سہل بن سعدؓ سے مروی ہے کہ رسول اللہ ﷺ نے فرمایا، جس شخص نے عرفہ کا روزہ رکھا اس کے لگاتار دو سالوں کے گناہ بخش دیئے جائیں گے۔ (مسند ابی یعلیٰ رقم الحدیث: ۵۷۰۷) (صحیح مسلم: ۸۱۸/۱، رقم الحدیث: ۱۹۶۱)

حضرت انسؓ فرماتے ہیں کہ عشرہ ذی الحجہ کے دنوں کے بارے میں کہا جاتا تھا ہر دن ہزار دن اور عرفہ کا دن دس ہزار دنوں کے برابر ہے۔ یعنی برابری و فضیلت کے اعتبار سے ہے۔ (الدر المنثور: ۵۵۵/۱)

حضرت فضل بن عباسؓ سے مروی ہے کہ نبی کریم ﷺ نے فرمایا: جس نے عرفہ کے روز اپنی زبان، کانوں اور اپنی آنکھوں کی حفاظت کی تو اس کے اس عرفہ سے دوسرے عرفہ تک (گناہوں کی) مغفرت کر دی جاتی ہے۔ (الدر المنثور: ۵۵۵/۱)

حضرت ابن عباس رضی اللہ عنہما سے مروی ہے، فرماتے ہیں کہ رسول اللہ ﷺ نے فرمایا: عشرہ ذی الحجہ کے ان دس دنوں سے بڑھ کر اللہ کے نزدیک کوئی دن فضیلت والا نہیں، اور نہ ہی ان دنوں میں عمل کرنے سے بڑھ کر اللہ کے ہاں کوئی پسندیدہ عمل ہے، سو تم ان دس دنوں میں لا الہ الا اللہ اور اللہ اکبر کی کثرت کرو کیونکہ یہ دن لا الہ الا اللہ اور اللہ اکبر اور اللہ کی یاد کے ہیں، اور بے شک ان دنوں میں سے ایک دن کا روزہ سال کے روزوں کی برابر ہوتا ہے اور ان میں نیک عمل سمیت سونگنا بڑھایا جاتا ہے۔ (الدر المنثور: ۵۰۲/۸)

♥ MADINAH

## BENEFITS OF VISITING MADINAH BEFORE HAJJ

Although we have packages with MAKKAH first option, but we encourage to visit Madina Munawara before Hajj.

Most of our packages offer several strategic benefits & advantages of visiting Madinah 1st before Hajj & landing at Madinah Airport instead of Jeddah Airport:

- At Madinah airport unlike Jeddah Hajj terminal, even special Hajj flights land at regular International terminal instead of a Hajj terminal. This avoids numerous hassles normally encountered at the Hajj terminal of Jeddah Airport due to limited facilities & overwhelming number of Hajjis arriving there from around the world.
- At Madinah airport, we arrange private buses for your transfer to the hotel. However, at Hajj terminal Jeddah, group staff, representatives or even directors are not allowed to enter inside Hajj terminal to receive & welcome their group Hujjaj, whereas at Madinah Airport, our dedicated staff is present in the arrival hall in advance to assist & welcome arriving Hajjis of our group. This meet & assist service at Madinah airport results in reduced anxiety & a stress free arrival for our Hajjis.
- No stress of performing Umrah immediately after arrival.
- Hassle & stress free travel / flight in normal clothes, No need to wear Ahram.
- Quick & Comfortable 30 Minutes Journey from Madinah Airport directly to your hotel, contrast to Jeddah airport to Makkah hotel which takes a tiring & frustrating 5-7 hours (approx.) in Hajj season in uncomfortable government buses. These Govt. buses first go to different maktabas in Makkah & Hajjis have to wait for long time for their turn to get dropped at hotel.
- Relatively easy & fast immigration at Madinah Airport as compared to Jeddah Hajj terminal.
- Availability of sufficient free time in Madinah before hajj to repent & spiritually prepare for Hajj-e-Mabroor.

## UNIQUE & PRICELESS OPPORTUNITY OF HAJ-E-QIRAN\*

Since we visit first the holy city of Madinah Munawara before Hajj in the year's most expensive hotels season, this offers our Hajjis\* a unique & priceless opportunity to perform Hajj-e-Qiran, the type of Hajj performed by our Holy Prophet ﷺ. This type of hajj is considered to have more religious significance because Prophet (PBUH) himself performed this type of Hajj. But 99% of Pakistani Hajjis cannot perform Hajj-e-Qiran because of the long duration of their stay in Saudia before the start of Hajj days & they are left with no option but to choose Hajj-e-Tamattu.

\*Only for Bronze 10-12 Days.

## HIGHLY PERSONALIZED SERVICES

We specialize in catering to the particular needs of the present day corporate executives, industrialists, professionals, entrepreneurs & bureaucrats by offering them our systematic, efficient & highly personalised services. Our organization is managed by professionals having more than twenty years of extensive experience in managing short duration executive HAJJ services for affording Muslims, who delay their obligatory (Farz) Hajj just because of the fear of uncertainties & hardships, normally associated with Hajj rituals. Our custom designed Hajj packages are a breakthrough solution for them. We aim not just to provide the best accommodation & services in Madinah Munawara & Makkah Mukaramah, but also ensure a memorable & comfortable experience even during the most hectic & extremely critical five Hajj days in MINA, ARAFAAT & MUZDALIFA.

Our team is expert in managing Hajj for busy & comfort oriented persons seeking to perform Hajj in shortest duration with minimal hassles. Intending pilgrims planning for hajj in a group operated by educated & professional people under the guidance of religious scholars, can feel at ease by selecting our group as it offers much more than this. All our directors always travel with the group every year & provide highly personalised service.

## PRE-HAJJ TRAINING @ LUNCH & POST -HAJJ@ FEEDBACK DINNER

A distinctive feature of our group is the provision of thorough religious guidance & mentoring regarding the Hajj rituals to ensure Hajj performance exactly according to the Sunnah of our Prophet ﷺ. We, unlike others, give importance to each & every Sunnah while performing Hajj rituals, e.g. maintaining the sequence of Rami & Qurbani etc. Every year, we hold a grand training session for the whole group in Royal Palm Golf & Country Club, Lahore before hajj, to give a thorough overview & understanding of the Hajj operations & its rituals to our hujjaj. This equips them with all the relevant knowledge to perform error-free hajj exactly as per Sunnah. We also hold several small briefing sessions, package wise in Madinah & Makkah (Azizia) hotels from 5th ZilHaj till 7th ZilHaj to refresh the initial training & give last minute tips.

In Govt. HAJJ Packages, the Buses pick you from one fixed spot (where HAJIS have to reach on their own) & then the buses leave after dropping HAJIS. Whereas, every year our group privately charters comfortable executive buses just for our group members which pick HAJIS from their Hotels & remain with the HAJIS throughout the 5 days of HAJJ. In Govt. HAJJ packages a very small & limited number of buses transport a much large number of HAJIS by making multiple trips. This practice makes HAJIS wait for long times in long ques for their turn to board a bus & sometimes due to extreme rush of HAJIS & traffic delays, many HAJIS are forced at the last moment to catch private transport in spite of the fact that they had paid for the transportation in advance. Unlike other groups, we also provide RETURN TRANSPORT FOR TAWAAF-E-ZIARAT from Le Meridien Towers to Haram & back Mina.

## EXECUTIVE BUSES WITH WASHROOM FOR 5 HAJJ DAYS

Our group proudly offers full service (Return transport, Guidance & personalised assistance) for this 2nd most important “Farz” ritual of Hajj. Ironically, even country’s leading private executive Hajj groups offering expensive packages, do not provide any service for such an important & obligatory step of Hajj, because it needs a lot of extra effort, hard work & coordination, besides additional investment of time & money by the group management. If a Hajj package does not have this service then it creates a lot of stress for the Hajji even in an otherwise fully executive 5 star Short Hajj package because Hajjis cannot get taxis easily for Tawaf-e-Ziarat and one way taxi fares to Haram can run upto SR.1000 & still Hajjis have to face the long taxi queues or may have to walk several miles to get to a taxi point. Also in these busy days taxis drop Hajjis several kilometers away from Haram as smaller vehicles are not allowed to enter in zone close to Haram for reducing traffic congestion.

\*We will provide return transport for Tawaf-e-Ziarat from 5-StarHotel Le Meridien Towers to Haram and back to Mina for regular & executive Mina packages. This service is not included in Budget Mina package.  
Our staff can also assist in hiring a wheel chair with a pusher boy for “handicapped” Hajji. The cost of the wheel chair service & its provider is not included in the package. Or otherwise Hajjis can carry their own wheel chairs from Pakistan to Saudia to save this cost.

## OUR PARTNER HOTELS IN MADINAH

While choosing Hajj & Umrah packages, the intending Pilgrims must remember that not all the 5 star hotels in Madinah AL Munawarah have the same value. Besides hotel amenities & services, one of the most important Hotel's feature that adds major value to its ranking, is its distance from the Masjid-e-Nabwi ﷺ. The nearest the hotel is to the Masjid's gate, the higher its value due to less walk time with consequently higher room rents, if compared to other low value other 5 Star hotels located at longer distance from the Masjid's gate & require substantial walk & extra time to reach Masjid's courtyard from such low cost hotels. A lot of groups who offer 5 Star Hotels packages in lower prices, either book such low value 5 Star hotels located at greater distance from the Masjid or otherwise their packages are designed in a way to utilize the same hotel in low & less costly season after Hajj. The most expensive High season of hotels in Madinah Munawara is from 1st - 6th ZillHaj, just before Hajj & staying in a high value 5 Star Hotel in these days exponentially increases the package cost. However, for the last 15 years, we always book the Best & most high value 5 star hotels facing Haram located at absolute 0 meter from Masjid's Gate.

**NON-AZIZIA HAJJ PACKAGES** Hajj is a commitment for every Muslim who is physically fit, mentally sane and capable of bearing the cost of Hajj travel. Annually, around three and a half million Muslims from different corners of the world gather in Makkah to perform the holy pilgrimage of Hajj, also considered one of the greatest human gatherings in the world. It is a chance to seek forgiveness from Allah (SWT), wipe away sins and start life afresh. If you are lucky to travel to Makkah for performing Hajj, it is your responsibility to look for a perfect Hajj package for yourself or for your family. It is important to decide beforehand which Hajj package would be suitable for you; shifting or non-shifting, which are usually the two kinds of Hajj packages offered by different travel agencies across the world. Before choosing any one of these packages, one must understand the two categories and the basic difference between both of them.

In shifting Hajj packages, pilgrims are moved away from the Haram during the peak Hajj season residing in faraway apartments, also called Azizia apartments. Once the Hajj is over, pilgrims are moved to the accommodations near Haram. Shifting Hajj Packages are also known as Azizia Hajj packages.

Non-shifting Hajj packages are also known as Non-Azizia Hajj packages. In Non-Shifting Hajj Packages pilgrims consistently stay at a single area in Makkah near Masjid-Al-Haram throughout the Hajj which ensures maximum comfort and fewer hardships. The pilgrims can then move on towards the Haram with going down the peak Hajj season. Non Shifting Hajj Packages; non shifting Hajj package means that the pilgrims do not have to move from place to place and will have to stick to one accommodation that they have bought in their Hajj travel package.

Since pilgrims are close to Haram, they can easily visit the Grand Mosque to perform Tawaf and daily prayers. Pilgrims have access to their hotel rooms even during Hajj days. They do not have to transfer their luggage to Azizia which is far away from Haram. Travelling between Azizia and Haram constantly could be hectic in the harsh weather. Pilgrims remain in the hotel for a couple of days more after Hajj and then eventually back home.

To narrow down the problems Sirajia Group introduced non shifting (No Azizia) hotel packages in which travelers would stay in one hotel throughout their journey with no compromises and hardships of traveling. With non-shifting hotel packages it will be a lot easier for all types of visitors, whether young couples or elderly to focus on their Hajj rituals and stay carefree in their journey time. Some of the no Azizia hotel packages are not only cheap, but provide better quality of living in smooth and comfortable environment. So no compromise in traveling, no chaos and worry less ibadah.

To choose wisely and remove people from nuisances, struggle of hotels, tour Sirajia Group do their level best to introduce different and comfortable non-shifting hotels to counteract in order to make the visitor's journey worthwhile and hassle free.

## MINA'S MAKKAH END - JAMAARAAT SIDE

Mina is a long valley approx. 5-7km in length & very close to Azizia (New Makkah City). Most of the Hajj rituals (Manasik of Hajj) are performed while staying in Mina from 8th ZilHajj till 12th ZilHajj. Most of the difficulties experienced in the past during Hajj took place in these days in Mina. However, with the development of new infrastructure & better policies by Saudi Govt., the private Hajj organisers have now over-come most of these challenges except for few, which are beyond human control like traffic jams. Also, Maktab-1's location makes it easily accessible & close to Malik Khalid Bridge where all Buses pick & drop Hajis, on 10th, 11th and 12th ZilHajj. Even within Maktab-1, we exclusively provide the best services that includes options for VIP Cabins with private washrooms instead of tents for couples and family of 5 persons with proper box beds & spring mattresses instead of sofa-cum-beds.

## ARAFAT END OF MINA - MUZDALIFA SIDE

## IDEAL LOCATION IN VVIP ZONE FOR UTMOST CONVENIENCE OF HUIJAJ

**CLOSEST TO RAMI AREA**

Mina valley spans over a length reaching upto 6km, with RAMI area located just at its start (Makkah end) & Muzdalifa valley located on its other end. appx 7km from Rami area. Mina valley is subdivided in more than 200 walled compounds called Maktab, each housing anywhere from 2000 to 5000 Hajjis. Maktab Number starts from 1 & crosses 200. The location of a Maktab is of utmost importance for stay in MINA, as for three consecutive days, Hajjis have to walk from their Maktab to the RAMI area for stoning the Shaitaan (on 10-11-12th ZilHajj, (13th ZilHajj optional) & return to the Maktab. Maktab-1 is located in the most VVIP zone of Mina & is closest to the RAMI area providing Hajjis the convenience of least possible walk.

**CLOSE TO MASJID -e- KHAIF**

This masjid is located near the smallest Shaitaan area. The Prophet ﷺ & many other Prophets ﷺ performed salah here. Its significance is quoted in many Ahadith. According to Ibn-e-Abbas (may Allah be pleased with him), the Prophet ﷺ said: "Seventy Prophets prayed here." [Majma'uz-Zawahid]

Yazeed bin Aswad (may Allah be pleased with him) says that when he performed Hajj with the Prophet ﷺ, it was at the Masjid Khaif that he performed the Fajr with the Prophet ﷺ. Abdullah bin Abbas (RA) narrates that it was in Masjid al-Khaif that the Prophet ﷺ addressed them. According to a hadith, 700 Prophets (a) & in another hadith, 1000 Prophets have been mentioned to have prayed here. Our Prophet ﷺ also performed prayer in this mosque & made khutba in Hajja-tul-Widah here. It is also narrated but not verified that Allah made a manifestation for the Prophet ﷺ Ibrahim (As) in this place. This place has also been reported as graves of over seventy Prophets ﷺ.

**EASY ACCESS TO MEDICAL FACILITIES**

No matter how well you plan a journey to ensure the availability of all comforts, but God forbid you cannot avoid the risk of encountering a medical emergency or an unexpected accident. The only step that can be proactively taken to handle such an event is to ensure quick access to medical aid. In Mina, the only mode of transportation is your feet or maximum a wheel chair & being near to a medical facility is a blessing & of utmost importance for getting timely medical help, if need arises. Ambulance can also be called but due to huge crowds on Mina roads, ambulance moves very slow, so its batter to stay closest to a medical facility accessible by foot or a wheel chair. Maktab 1 definitely has this advantage. It is located just opposite to the Mina Medical centre, hardly few steps away (Less then a 1 minute walk). Besides this, Maktab-1 is also just few hundred meters away from the only fully equipped & well-staffed proper emergency hospital of Mina.

**CLOSEST TO BUS PICKUP-DROP POINT @ KHALID BRIDGE AND NEAR MASJID AL KHAIF**

During the most important & busy 5 Hajj days (8th ZilHajj – 12th ZilHajj) no vehicle can enter Mina. There are only few designated spots upto where all buses can come to pick & drop Hajjis. All Hajjis have to walk to this Point from their Maktab to board the buses or vice versa. Depending on Maktab's Location, this walk can be anywhere from few 100 Meter to upto few Kilometers. However, Maktab 1 is located hardly 100 Meters from this buses point, a mere 3 mins walk. This is a big advantage & of extreme convenience for our Hajjis.

AIR CONDITIONED & FULLY CARPETED CABINS ,4m X 4m with WALLS & DOORS

### GOVT.'s STANDARD CANVAS TENTS

Govt. mina tents are made of canvas & there is no privacy for the Hajjis, which is specially required while wearing Ahraam. In Govt. canvas tents only 1.1 Sq.m. is provided per Haji with very narrow 1.5 to 2ft wide & 1" thick cotton mattress. The canvas tents are fitted with only water cooled "Air Coolers", which in extreme summers fail miserably. Also the multiple canvas tents are mostly combined in a configuration of 4-8 tents with a single common entrance.

### OUR CARPETED A/C VIP MINA CABINS

To create privacy, we erect structures of gypsum board with proper walls & doors for making private cabins to avoid unauthorized access & to increase the cooling of Air Conditioners. In our executive packages, Mina's V.I.P cabins are equipped with single sofa-cum-beds with wooden arms to create more comfort & privacy. This takes double the space than a narrow cotton mattress & consequently, the sharing per tent of size 4x4m is decreased to  $11 \pm 1$  per tent instead of 18 Hajjis per tent.

### EXCLUSIVE HAJJ - SERVICES IN THE BEST VVIP MAKTAB OF MINA

#### PRIVATE BATHROOM

To increase profits or to reduce package cost, majority of the Hajj organisers save on the cost of the most expensive Mina space, by providing half tent each (2mx4m) for male & female washrooms, instead of a full tent area for each gender. It creates too much congestion & there is high probability of Ahraam getting dirty (Napaak) as Hajjis face extreme difficulty in doing "wudu" in Ahram in such extremely narrow space. So much so that Hajjis find public washrooms much better for "wudu" as compared to these congested & mini so called private washrooms.

Contrast to this, we provide Full size dedicated tents (4mx4m) each for males & females separately with decent space for toilets (options of both French commode and indian w.c) as well as spacious "wudu" area with multiple wash basins.

It is important to remember that the cost of this extra space for creating spacious washrooms is exponentially high, specially in Maktab-1, as full size 2-3 tents space meant to accommodate 36 persons is utilized just to expand washroom area to provide both types of W.C & decent size "wuzu" area with basins.

#### BUFFET MEALS IN FULL SIZE A/C TENT

We provide exclusive separate A/C tent for placing buffet instead of putting it in corridors of the Maktab. These extra tents carry high costs which most of the hajj organisers try to avoid & don't provide separate A/C Tent dedicated for buffet meals. We also provide fresh orange juice, freshly cooked shawarma, fresh pop-corns, 24 hours hot/cold drinks & ice cream etc. Full board buffet meals are provided during the whole stay in Mina.

#### HAJJ & RELIGIOUS GUIDANCE

Qualified & highly experienced religious guide (Mufti sb) is always available for Q&A's both in Pakistan & Saudi Arabia. We have also developed a lot of multimedia material on Hajj which can be easily downloaded & installed in their smart phones for listening, reading or viewing at any stage of the journey. Besides this, all our directors have performed several Hajj even before forming this group & their total trips to the Holy Land both for Hajj & Umrah exceed three figures, which gives them an unique additional advantage of properly guiding all group members themselves.

#### QURBANI SERVICES

Offering Qurbani is also one of the wajib rituals "*rukun*" of the Hajj. Performing all hajj rituals in a specific sequence is an important Sunnah of our beloved Prohpet ﷺ. There are several important pre-requisites & conditions defined by Shariah for selecting the appropriate sacrificial animal. This needs knowledge, experience & a critical eye to ensure that the Qurbani animal for Hajj ritual is Shariah compliant.

A Qualified religious scholar (with vast experience in handling hundreds of shariah complaint qurbanis) supervises our Qurbani operations & ensures that the sunnah sequence is maintained i.e, 1st Rami then qurbani & in the last hair-cut/ Ahram removal

Stay of Arafaat, "Wakuf-e-Arafaah" on 9th ZilHaj, is the Main "Farz" day, also called "the day of Arafaah", inside the boundary of Zuhar & Asar in Arafat besides making lots of *Dua* & *Zikr* from Asar. The essence of Hajj journey is this stay in Arafaat. Except for in form of fines or Animal sacrifice as penalty, if the ritual is not replacement or expiation for missing the Arafaat stay, if it is not performed properly or is altogether missed, the Hajj becomes Void. The stay in Arafaat used to be a tough exercise as it is a desert with no facilities needed for life sustainability. In summers, the temperatures run extremely high crossing 50°C & there used to be no shades or arrangements for cold water. Even in present times, except for Private Hajj groups offering executive Hajj services, all other groups including Govt. Hajj missions provide only open canvas tents (*Tamboo's*) with pedestal fans. Open canvas tents were acceptable before, but when Hajj started to fall in extreme summer of a desert, these open tents failed miserably. Private groups with a focus to revamp Hajj services jumped in & aggressively pushed the authorities to allow them to offer new & better services in Arafaat to meet the growing demand for such facilities on the main Hajj day. It depends a lot on one's lifestyle that how well he can adapt to such extreme environment. Someone who has spent all his life in a village without A/C or even without electricity, would not be much disturbed. However, people used to the comfort & luxuries of an urban life will often find themselves in difficult situations in Hajj & people from such upper class of the society are mostly the one's who commit the grave sin of delaying their "Farz Hajj", just because of the apprehension & fear of such difficulties, due to lack of basic facilities in the package. To make it easy & comfortable for such people, so that on the day of Arafaah they can perform their worship with ease & comfort without getting physically & mentally drained, our overseas team in collaboration with Saudi authorities installs a proper marquee with heavy duty multiple air-conditioning plants. Besides this, the management of Maktab-1 in collaboration with Saudi Govt. has built permanent toilets/bathrooms, separate for males/females located very close to our marquee location. This saves the precious moments from being wasted in long walks to access public toilets. Arabic style scrumptious fresh meal is also prepared by our maktab's kitchen inside Arafaat compound to save your time.

Rukun of Hajj. Hajjis have to spend most part of the 9th zilHajj Arafaat & cannot leave before "Maghrib Azaan". Hajjis offer till Maghrib. The Lunch on 9th Zilhajj is also served in Arafaat. Ahram & Tawaf-e-Ziarat, every other Hajj ritual has an expiation performed properly or altogether missed. But there is no

GROUP DUA IN ARFAAT

SEPARATE LADIES AREA

## HIGHLY PERSONALIZED RAMI ASSISTANCE

Out of a total of more than 200 Maktab in Mina, Maktab # 1's location is in the most VVIP zone & closest to the Rami area. The total number of Maktab in Mina even cross the mark of 200, with many Maktab located even in Muzdalifa, outside Mina's boundary, there distance from Rami area is more than 5 -7 km. However Maktab 1's distance from Rami area is merely 650 meters only & a great benefit for Hujjaj. A person from maktab # 100-150 would have to walk 10-11km (5+5 round trip) everyday for 3 days just to perform Rami & return to the Maktab in scorching sun. While Hajis staying in Maktab # 1 would have to walk even less then 1-km to reach the Rami area & then after Rami completion we guide them to the buses instead of walking back to Maktab to transfer to the 5 star hotel Le Meridien Towers.

Short Hajj Directors, Dr. Nasir & Abdul Rouf Personally Lead Rami Groups

Thank you very much for taking extreme & exemplary care of all Hujjaj and providing excellent services in Medinah, Makkah, Mina & Arafat. May Allah Pak give you reward for this in both the worlds.

This was my first Hajj & it was an exhilarating experience. I was very skeptical on how I'll manage by myself, as I was travelling alone but my gratitude to Team Sirajia for making every step easier than I ever thought. Hajjis whether with families or alone were facilitated at every single step of this Spiritual journey. From accommodation, transport to food, everything was par excellence. I highly recommend them to everyone. I would love to travel with them again with my family, In-Sha-Allah.

My wife & I were part of the 2017 Hajj tour (13 day) package. The whole management was highly efficient & kept us informed of progress of our application even prior to Hajj. They were quick in responding to any specific concerns. Secondly their G.M, Salman Khan is a great guy on their team. As we were travelling independently from Dubai, we were very concerned on how we will be received at Medinah airport, particularly keeping in view the language barrier. Their team was at the Airport at the right time & spared us of any anxiety.

No organization can be successfully run without an experienced, sincere & dedicated team. We feel extremely blessed to have such an asset. Our local & overseas team of professional & dedicated staff makes the backbone of our operations both in Pakistan & Saudi Arabia. They all share the high moral values & consider serving the guests of Allah not only their professional duty but also their religious obligation. Most members of our overseas team are permanent residents of the Holy Land & are well versed in both Arabic & Urdu. They are also well aware of the Holy City's routes & short cuts, a big advantage in case of traffic jams. Majority of them are with us since the inception of our group in year 2005. This proves their loyalty & shows their resolve to serve hujjaj with undeterred persistence. All members have extensive experience of more than a decade in Hajj & Umrah operations. They work hard to ensure that Hujjaj perform all the Hajj rituals perfectly according to Quran and Sunnah without any error or omissions. We try our best to provide an environment in which you can work to develop your spiritual self, which of course is the ultimate objective of Hajj rituals & this objective cannot be realized without a personal customised package. Before you embark on the Holy journey of Hajj, our team including our experienced directors, counsel you in a private one-on-one meeting to meticulously plan, prepare & offer you a customised package that meets your needs within your budget.

## HAJJ PACKAGES

In our experience of over a decade, we noticed that even affording people hesitate to buy quality services in their Hajj journey by thinking that adding comfort in Hajj may decrease their reward of Hajj. Consequently, they suffer unnecessarily throughout the journey when actually such suffering is avoidable by selecting an appropriate Hajj package & customize it as per individual needs. The stance of religion Islam is also quite opposite to their belief & encourages increased spending in Hajj & also the ground reality refutes such baseless beliefs. Most of the upgrades that are offered in executive & Short Hajj Private packages are not luxuries for most but basic necessities of their daily routines, which if not available, can be very disturbing for many. When you leave your home for any journey, the only thing that you can't fully take with you is the "Comfort" you enjoy inside your own home. No matter how much luggage you pack, you cannot fully carry the comfort of your home. So the main element in any journey that a traveler misses is this homely comfort which, to a certain extent, can't be replaced easily by anything. However, if you add home-like-comforts to any journey, the stress & fatigue associated with any travel can at least be minimized. One has to be comfortable to easily fulfill the purpose of his travel, & Hajj is one of the most demanding journey where need for comforts is further increased because of the tough and hectic rituals. Our sole objective that motivated us to start a Hajj group, was the concern to not only make Hajj journey short but comfortable too. Travelling, whether for business or leisure, requires ease & comfort in the new place to focus on the assigned tasks & to fulfill the objective of the travel. In contrast, if you are disturbed & uncomfortable in any journey, not only your performance will suffer but it will also add additional stress to your tour. Probably that's the reason why the world's leading hotel, Marriott's advertisement always mentions the below slogan,

*"When you are comfortable  you can do anything"*

Hajj is a difficult & a tough ritual even for a staunch believer. It has some difficulties which are inevitable & unavoidable like traffic jams, huge crowds, unexpected delays, sickness, injury, accidents or red-tapism of Govt. authorities etc. However, with a well-planned itinerary chalked out in advance, such surprises can also be minimized. However if one is casual & careless in selecting an appropriate Hajj package then such negligence or omission can later end-up in regrets during Hajj. A Hajj Package should not only match your budget but also your lifestyle, personality, physical limitations & specific needs. Ensuring possible comfort & ease is the responsibility of both the group organizer & the Pilgrim. Both need to be proactive in this matter & should not take things for granted. Whenever we embark on any normal journey, we ensure before departing that a good hotel room is booked in best possible location & a reliable transport is available for commuting etc. Similarly, in Hajj, there are some package features which are indispensable for a comfortable Hajj & absence of which will definitely add unnecessary turbulence to your spiritual journey. When mountaineers plan to climb a mountain like K-2 or Mount Everest, the first thing they do is to setup a comfortable, well equipped base camp, after which they move to further heights but in case of any emergency, avalanche or accident, they are prepared & at peace to return to that base camp before starting again. The base camp has an integral value & core role in maintaining the whole expedition's comfort & safety. However, just like in mountain climbing you cannot ensure a trouble free climb to the top without facing adversity & setbacks, but having an assurance of fully equipped base camp saves you from any unexpected stress. Similarly in Hajj, difficulty & hassles are inevitable but a well-planned Hajj Package caters to all such issues.

## OUR VALUE & PREMIUM PACKAGES

Farz Hajj is one of Basic five Pillars of Islam & the most important obligatory journey for an affording believer to undertake at the earliest in his life. Compared with Umrah, Hajj Rituals are all-together different & quite difficult. At times, Hajj journey can get tough & quite demanding, specially for the 1st time visitors, elderly persons, persons with medical problems or just physically weak. Unlike Umrah, where both the pilgrims & the organisers can easily get away with poorly designed Umrah packages offering low value, a poorly designed Hajj package, with low value can be extremely problematic & can ruin your Hajj rituals alongwith its spiritual experience. Beside it can take a serious toll on your physical & mental health. So after your sincere intention & decision to perform Hajj, the most important step is to search, compare & analyze Hajj Packages & their features as per your needs & budget. It needs vision & wisdom to select the right Hajj Package that offers maximum value against your hard earned savings for this holy Journey. As, you should not overspend on Hajj package out of apprehension of difficulties, nor should you be penny wise & pound foolish by putting your HAJJ at stake by selecting a low value poorly designed package.
